

AD Newsletter

March 19th 2010

Saturday March 20th

Once again it's time for the event "Family Research Day" in Sweden and for that reason we have the following offers →

Special offer on annual subscriptions

We offer our new and old customers a 'Full year subscription' to AD *OnLine* for special price **995 SEK** (ordinary price 1 195 SEK).

This offer can be purchased between March 20, 2010 and March 31, 2010 and serves only to retail customers (1 SEK equals to 0.1399 USD).

This offer can not be combined with other discount offers.

New version of AD *OnLine* (v1.3)

Although we tested the previous version of AD *OnLine* (v1.2) thoroughly before we sent the last newsletter, it turned out that some users have had problems with that version. We are deeply sorry for the inconvenience this may have caused!

Our programmers have more or less worked around the clock to find and solve the problem. It has been particularly difficult because far from everyone have had problems (mainly 'Updating static data' and that the program have stopped working).

We have now released a new version and hope that the problems are solved.

For this reason we ask everyone who have installed AD*OnLine*2 v1.2 and are experiencing problems, to install the new version of AD*OnLine*2 v1.3:

You can always find the latest information and installation help at our website:

Of course, we will extend all current subscriptions the corresponding number of days that this problem has been known.

Old versions of AD *OnLine*

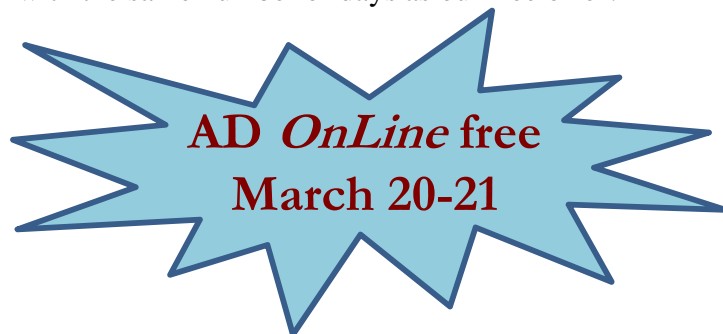

We recommend you to always use the latest version, as it often has important updates and is generally the fastest.

FREE Research Offer

To make it possible for everyone to try our service 'AD *OnLine*' with more than 20 million images of Church Records and other interesting material, we have once again decided to offer everyone 2 days research free of charge!

Our 'FREE Research Offer' starts at 24:00 PM Friday March 20, 2010 and finishes at 24:00 PM Sunday March 21.

Of course, we will extend all current subscriptions with the same number of days as our free offer!
